Our Story

Over 40 Years of Experience

CJ Joinery began with two joiners working side by side on UK construction sites. Today we deliver trusted commercial joinery and certified fire door installations nationwide, combining hands-on craftsmanship with the personal attention many larger contractors overlook.

Built on Trust

Lasting partnerships with leading main contractors across the UK, built through consistent delivery and professional integrity.

Hands-On Craftsmanship

Traditional joinery skills combined with modern technical capability, delivering quality that stands the test of time.

Safety First

Every project is delivered with a critical focus on compliance, safety, and the highest UK regulatory standards.
